

The Saltwater Performing Arts Bob Cannistraro Scholarship Fund 2022 Application

Bob Cannistraro had an appreciation for the role that performing arts plays in the lives of young people. He recognized that the best performances do not always happen in theatres. They take place in the classrooms, in the home, at work, and any place people gather to interact with others. When you build a child's creativity, there are no limits to what he or she can do.

Bob believed that creative arts education and experience is the right of all youth, no matter the socio-economic challenges they may face. Through his family's generosity a scholarship fund was created in 2017 to enable our youth to further their performing arts education. This scholarship will ensure that Bob's legacy endures long into the future.

One aspect of The Saltwater Performing Arts Bob Cannistraro Scholarship Fund is to provide financial assistance to a graduating senior pursuing a post-secondary degree in the performing arts field (including degrees in performing arts performance, theory, education, composition, business).
